

EXPERIENCE  THE NEW BUICK

F I R S T - E V E R B U I C K

ENVISION

MIDNIGHT AMETHYST METALLIC
shown with Premium II and optional equipment.
Preproduction model shown. Actual model may vary.

Discover something perfectly
attuned to your sense of luxury. **THE FIRST-EVER
BUICK ENVISION** elevates travel for five to a
new level of refinement. With responsive performance, intelligent innovations
and a meticulously crafted interior, Envision was created for the well-being of you and
your travel companions. A new journey is about to begin.

It only takes an instant to form your first impression of the first-ever Envision. One press of the accelerator proves it has a **SPIRITED PERFORMANCE SUITED TO THE WAY YOU LIVE.** A glance at its elegant proportions confirms that this is a new Buick crafted to an exceptional degree of refinement. Its bold grille and jewel-like LED-accented headlamps reflect the pure driving enjoyment you'll experience in Envision. This is your kind of luxury.

ENVISION INTERIOR SHOWN IN EBONY
WITH EBONY ACCENTS

Welcome inside Envision.

Step across the door sill and enter a cabin where you'll come to appreciate what's meant by the idea of **BEAUTY FROM THE INSIDE OUT.** With a modern interior centred around a console designed with innovative dual-winged doors, and standard features like Active Noise Cancellation and a seven-speaker Bose® premium sound system, Envision creates a profound sense that you're secure, connected and truly at ease.

RELAX

WHAT MAKES ONE EXPERIENCE MORE REFINED THAN ANOTHER? IT'S HOW THE DETAILS ENHANCE THE SENSATIONS YOU ENCOUNTER ALONG THE WAY.

Inspiration for the Envision interior didn't come from other vehicles. It came from the kind of places you go to relax in style. Think boutique hotels, luxurious day spas and other blissfully quiet retreats. Think understated, uncluttered design, where the quality of the finishes, the exceptional materials and the ambiance of the lighting give the space a special feeling. With Envision, the result is a conversation space where up to five passengers can travel in remarkable acoustic comfort, thanks to QuietTuning™—a combination of measures taken to help reduce, block and absorb noise. You'll be in the perfect frame of mind to enjoy Envision's full complement of standard features.

- Premium materials and standard ice-blue ambient lighting and rich wood-accented trim.
- French stitched, leather-appointed seats and standard heated and available cooled and ventilated front seats provide soothing comfort.
- Standard heated steering wheel and an eight-way adjustable driver's seat with power lumbar.
- Standard tri-zone automatic climate control system, sliding second-row seating with three seatback angles and heated rear outboard seats.
- Standard hands-free power liftgate, 60/40 fold-flat rear seats and a flat rear floor make loading your belongings easy.
- Standard seven-speaker Bose premium sound system.

ENVISION INTERIOR SHOWN IN EBONY
WITH EBONY ACCENTS

It's something of a lost art, the art of conversation.

Envision celebrates it by inviting you into a sanctuary where conversations can flourish. Thanks to QuietTuning, it's an atmosphere all but sealed off from the interruptions of the outside world.

RESPOND

IN THE FIRST-EVER ENVISION, ADVANCED ENGINEERING SYSTEMS CREATE A NEW FEELING OF CONFIDENCE AND CONTROL FOR THE DRIVER.

What forges the connection between a car and its driver? It starts with how well a vehicle responds to driver input—the turn of a steering wheel, the press of a brake pedal, the voice command for the optional navigation guidance.¹ So imagine for a moment you're in the heated leather-appointed driver's seat, your hands wrapped around the thick leather-wrapped rim of the heated steering wheel, and your eyes scanning the gauges laid out in front of you. Now engage the Start button and feel the powerful response of Envision's turbocharged engine. Ready for the best feeling of all? Move the shift lever into D. Your every move is met by an Intelligent Twin-Clutch All-Wheel-Drive system that comes standard, ensuring sure-footed traction.

- The 2.0L Turbo engine delivers responsive performance with 252 hp and 260 lb.-ft. of torque to turbocharge every drive.
- Standard on Envision, the Intelligent Twin-Clutch All-Wheel-Drive system automatically adjusts torque to each wheel to optimize traction and responds before slip occurs.
- The HiPer Strut front suspension provides Envision with responsive steering and cornering while it helps dampen road noise and vibration.
- Safety features and driver convenience alerts that come standard include Forward Collision Alert, Side Blind Zone Alert with Lane Change Alert,² Rear Cross Traffic Alert, Lane Keep Assist with Lane Departure Warning, 10 airbags,³ Rear Vision Camera, Front and Rear Park Assist and a Safety Alert Seat.

Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

¹At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ²Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards and start the turn signal. ³Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and child safety seat instructions for more safety information.

LISTEN

YOUR VOICE IS ALL YOU NEED TO ACTIVATE FEATURES OF ENVISION'S ADVANCED AUDIO AND INTEGRATED SMARTPHONE SYSTEMS. LET IT BE HEARD.

We made Envision quiet because we knew you wanted to hear what makes you happy. That's where Buick IntelliLink¹ comes in. It includes available audio features such as Stitcher SmartRadio^{®2} and Gracenote[®], which indexes and assigns voice tags to your music selections. You can even use the "More Like This" function to instantly create a playlist of songs or artists similar to the one you're listening to. Many of the features found on the latest version of Buick IntelliLink can be managed three ways: using the Colour Touch Radio screen, intuitive enhanced-language voice commands or steering-wheel-mounted controls. And there's more that IntelliLink can do to help you organize life on the road.

HOME PAGE PERSONALIZATION keeps the Buick IntelliLink¹ features you use most front and centre by simply reconfiguring its customizable home page using the colour touch-screen.

BUICK INTELLILINK¹ offers the entertainment of SiriusXM Satellite Radio³ with Travel Link, with more than 130 channels, including commercial-free music, plus talk, sports, news, weather and more. Access to Internet radio² is also available, while IntelliLink's customizable app tray allows you to organize the home screen according to your preferences.

¹Full functionality requires compatible Bluetooth[®] and smartphone, and USB connectivity for some devices. Visit intellilink.buick.ca for more details. ²Data plan rates apply. ³Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca.

GUIDE

TRAVEL WITH THE ENVISION AND YOUR JOURNEY IS ACCOMPANIED BY A HOST OF AVAILABLE SAFETY INNOVATIONS.

On the first-ever Envision, the available Surround Vision Camera system uses four micro-cameras embedded in the vehicle to provide the driver with a bird's-eye view around the vehicle. When you're parking, checking the monitor can help you avoid obstacles in your blind spots and navigate tight spaces. And when you're driving down the road, cameras, sensors and radar are at work watching out for you, too. Forward Collision Alert uses the cameras to detect a potential collision with another vehicle on the road in front of you. If it senses that the driver isn't braking to avoid a collision, Forward Collision Alert illuminates a warning light and vibrates the Safety Alert Seat or beeps to warn the driver of an impending collision.

■ AVAILABLE SURROUND VISION CAMERA

◆ STANDARD SAFETY ALERT SEAT

● STANDARD REAR VISION CAMERA

■ AVAILABLE SURROUND VISION CAMERA A first for Buick, it provides a bird's-eye view of what's around you. Multiple cameras help you avoid obstacles, reduce blind spots and navigate even the tightest spaces with clarity and confidence.

◆ SAFETY ALERT SEAT When a collision-avoidance technology such as Lane Departure Warning triggers an alert, the Safety Alert Seat issues a warning of its own. The left and/or right seat bolsters gently vibrate to signal the direction of the approaching hazard. So, you can stay aware of your surroundings without taking your eyes off the road.

● REAR VISION CAMERA To help you better navigate while backing up, the Rear Vision Camera shows you guidelines and live images of what's behind you on the 203 mm diagonal Colour Touch Radio screen.

MANOEUVRE

ENVISION IS A NIMBLE SUV WITH ITS SMART SIZE AND
INGENIOUS TECHNOLOGIES SUCH AS AUTOMATIC PARK ASSIST.

Available Automatic Park Assist uses ultrasonic sensors and clear driver cues to steer Envision into parallel and perpendicular parking spaces. Sensors search for an available space. Once engaged and in reverse, the system automatically steers into the space while you control the brake and shift lever. Here are other ways Envision helps you manoeuvre.

REAR CROSS TRAFFIC ALERT When you're backing out of a parking space, Rear Cross Traffic Alert technology uses radar to detect vehicles approaching your Envision and alerts you if an obstacle is within 20 metres of either side of your vehicle.

FORWARD COLLISION ALERT This technology can help to prevent frontal crashes by sensing when you are approaching a vehicle in front of you too quickly, and alerts you with audible and visual warnings and vibration from the Safety Alert Seat.

FRONT AUTOMATIC BRAKING Available Front Automatic Braking technology senses when a crash is imminent and then can automatically brake to help you reduce crash damage or help avoid colliding with the vehicle ahead in some low-speed situations.

LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT¹ Lane Change Alert uses radar to help watch for and warn you of vehicles approaching from behind when you're changing lanes. Side Blind Zone Alert issues a visual warning when a vehicle enters your blind zone.

LANE KEEP ASSIST WITH LANE DEPARTURE WARNING To help drivers avoid unintentionally drifting out of their lane, Lane Keep Assist provides gentle steering wheel turns, and if necessary, audible and visual lane-departure alerts.

Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

¹Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards and start the turn signal.

CONNECT

THE 4G LTE WI-FI® HOTSPOT¹
PROVIDES A POWERFUL CONNECTION.

4G LTE Wi-Fi¹ now travels with you. Stay connected and move effortlessly from home to work to just about anywhere without losing touch. Stream movies and TV on the go, using your favourite apps.

The built-in Wi-Fi hotspot¹ supports up to seven devices,² so everyone can surf, scan, create, post and game their way through any journey.

Any time your vehicle is on, your hotspot is available and ready to connect to your devices, so it's easy to use. And because the built-in Wi-Fi hotspot is powered by your vehicle, you're not reliant on your mobile device battery.

Your first 3 months or 3 GB of data (whichever comes first) is included with your new Buick. After that, select a plan from OnStar that's right for you.

¹Visit onstar.ca for coverage maps, details and system limitations. Available Wi-Fi requires compatible mobile device, active OnStar service and data plan. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. ²Devices must be WPA2-compliant with an active OnStar service plan and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations.

ONSTAR¹

STANDARD FOR 6 MONTHS, THE ONSTAR GUIDANCE PLAN (TRIAL EXCLUDES HANDS-FREE CALLING MINUTES) LETS YOU CONNECT TO AN ONSTAR ADVISOR JUST BY PUSHING THE BLUE ONSTAR BUTTON IN YOUR ENVISION.

EMERGENCY

Automatic Crash Response²

Depending on the severity of the crash, built-in sensors may automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can't ask for it.

Emergency Services One push of the red emergency button gives you a priority connection to an OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you're never alone.

Crisis Assist In severe weather conditions or a crisis, Advisors can provide a fast, knowledgeable resource if you need emergency assistance, evacuation routes and other resources. OnStar can also contact family members for you.

Roadside Assistance³ If you're stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location to get you back on the road quickly.

SECURITY

Stolen Vehicle Assistance⁴ If your car is stolen, once it's been reported, Advisors can work with authorities and use GPS technology to pinpoint its location, slow the vehicle if conditions are safe and even prevent it from being restarted. And with Theft Alarm Notification,⁵ if your car alarm sounds, we'll let you know via text, email and/or a phone call. One simple call puts a team into action to help recover your car quickly and safely.

NAVIGATION

Turn-by-Turn Navigation⁶ Getting directions is as easy as pushing a button and telling an Advisor where you want to go. Directions are quickly downloaded to your car, and a voice calls out every turn. An Advisor can also help you with a database of more than 1 million points of interest. To plan routes in advance, you can send destinations to your vehicle through an Advisor or the myBuick mobile app.⁷

ATYOURSERVICE⁸ Life just got easier and more affordable with the personalized connection of AtYourService. By simply pressing the blue OnStar button, our trusted Advisors can help you locate hotels and even book your room through Priceline.⁹ AtYourService offers can be accessed from your vehicle's radio touch-screen, through your myBuick mobile app⁷ or an OnStar Advisor.

VEHICLE MANAGER

Advanced Diagnostics⁹ This feature can alert you when something's going on under the hood. After running a check on your vehicle's key systems, it can send you a monthly Diagnostics Report email or real-time alerts available by email or text, detailing its findings.

MYBUICK MOBILE APP⁷ Enjoy the ultimate ownership experience through convenient control and management of your vehicle. You can remotely start your vehicle from virtually any

distance, lock or unlock your doors, honk your horn and flash your lights. The services of the myBuick mobile app are included for 5 years on new vehicles at no additional charge. To download the myBuick mobile app to your smartphone, go to the App Store.

REMOTE ACCESS¹⁰ With Remote Access, an OnStar Advisor can send a remote signal to lock or unlock your doors or honk your horn and flash your lights. You can even use your myBuick mobile app⁷ to remote-start the vehicle from virtually anywhere.

ONSTAR HANDS-FREE CALLING¹¹

This feature is a wireless service built into your vehicle so you can easily make and receive calls from the road.

¹Visit onstar.ca for coverage maps, details and system limitations. Available Wi-Fi requires compatible mobile device, active OnStar service and data plan. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. ²OnStar acts as a link to emergency service providers. Not all vehicles can transmit all crash data. ³Roadside service provided by Allstate Roadside Services. ⁴Services vary by model, conditions and geographical and technical restrictions. Visit onstar.ca for details and system limitations. Stolen Vehicle Slowdown and Remote Ignition Block are only available on select 2009 and newer GM vehicles. ⁵Requires an active factory-installed theft-deterrent system, the Security or Guidance Plan and selected notification preference(s). Capability varies by model. Message and data rates may apply. Your vehicle's electrical systems and your smartphone (or other device) must be operative and sending/receiving data via wireless services and GPS satellite signals for the Theft Alarm Notification service to function properly. Vehicles must be locked electronically to arm the factory-installed theft-deterrent system. Theft Alarm Notifications are sent only to you. OnStar does not notify police of a Theft Alarm Notification. The Theft Alarm Notification service may alert you to a theft in progress. Always use caution and good judgement. Do not approach the vehicle unless you are certain the situation is safe. OnStar is not responsible for the acts of third parties. See OnStar User Terms and onstar.ca for system limitations. ⁶Requires ABS and Guidance Plan. Visit onstar.ca for coverage map. Services vary by model. ⁷Available on select Apple, Android, BlackBerry and Windows devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Please visit onstar.ca for vehicle availability, system limitations, geographical and technical restrictions and further details. ⁸PRICELINE is a service mark of priceline.com LLC. ⁹Availability and capabilities vary by model. Visit onstar.ca for details and system limitations. Message and data rates may apply. Requires an active OnStar service plan, email address on file and enrolment in Advanced Diagnostics. Diagnostic Alerts are designed to help provide the status of key systems based on information collected from the vehicle. Other factors may affect vehicle performance. Not all issues will deliver alerts. In certain scenarios, a dealer service check may be required to confirm the accuracy of the Diagnostic Alerts. ¹⁰Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. Unlock feature requires automatic locks. Remote Start requires a factory-installed and enabled remote-start system. ¹¹OnStar Hands-Free Calling requires an existing OnStar service plan and available prepaid minutes. Not available in certain markets. Calls may be made to the U.S. and Canada only. Minutes good for the specified term or until service plan is terminated, whichever comes first. Visit onstar.ca for coverage map, details and system limitations (including geographic and technical restrictions).

CHESTNUT BROWN LEATHER-APPOINTED SEATING WITH EBONY ACCENTS

A close-up photograph of a car seat. The top part of the seat is covered in a smooth, light-colored leather-like material. A diagonal seam runs across the frame, separating this smooth section from a lower section. The lower section is also made of the same material but is perforated with a regular grid of small, circular holes. The lighting is soft and even, highlighting the textures of both materials.

Think of the perforations in the leather-appointed seats this way: as escape hatches for the refreshing air flowing from Envision's available cooled front seats.

¹Visit onstar.ca for coverage maps, details and system limitations. Available Wi-Fi requires compatible mobile device, active OnStar service and data plan. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. ²Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit intellilink.buick.ca for more details. ³Not compatible with all devices. ⁴Data plan rates apply. ⁵Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca. ⁶Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger airbag. See the Owner's Manual and child safety seat instructions for more safety information. ⁷The OnStar Basic Plan is available for 5 years from the date of delivery of the eligible new 2015 model year and newer vehicles and is transferable to subsequent owners for the remaining term. The Basic Plan includes access to: (1) monthly Diagnostics Report emails (capabilities vary by model); (2) Dealer Maintenance Notification; and (3) limited myBuick mobile app services, which include remote start (requires factory-installed and -enabled remote-start system), remote lock/unlock doors (requires automatic locks) and remote horn and lights activation. The myBuick mobile app is available on select Apple,[®] Android,[™] BlackBerry[®] and Windows[®] devices. Visit onstar.ca for vehicle availability, coverage map, details and system limitations. The OnStar Basic Plan does not include any emergency services, Automatic Crash Response, Stolen Vehicle Assistance, live Advisor service or Hands-Free Calling. These and other services are available under a paid plan. If you sell your vehicle or wish to cancel use of Basic Plan services, you must contact OnStar at 1-888-4-ONSTAR (1-888-466-7827). ⁸At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ⁹Fuel-consumption estimates based on GM preliminary testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary. ¹⁰Cargo and load capacity limited by weight and distribution.

BUICK OWNERSHIP: IT'S A GOOD FEELING.

Our commitment to you includes:

- 2-year/48,000 km Lube-Oil-Filter Maintenance¹
- 4-year/80,000 km New-Vehicle Limited Warranty²
- 6-year/110,000 km Powertrain Limited Warranty² with \$0 deductible on repairs; warranty is fully transferable at no charge
- 6-year/110,000 km Courtesy Transportation²
- 6-year/110,000 km 24/7 Roadside Assistance²
- 6-year/unlimited km rust-through perforation coverage²
- 8-year/130,000 km coverage on catalytic converters and Powertrain Control Modules (PCMs)²

¹Limit of four complimentary Lube-Oil-Filter services in total. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. Conditions and limitations apply. See your dealer for details. ²Whichever comes first. Conditions and limitations apply. See your dealer for details.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:³

- GM PROTECTION PLAN (GMPP) – The only extended service plan backed by the resources and commitment of General Motors; GMPP may be purchased at the time of sale or subsequently during the New-Vehicle Limited Warranty period.
- BUICK CERTIFIED SERVICE – With Buick-certified technicians and Buick-approved parts, nobody knows your Buick vehicle better.
- CERTIFIED SERVICE MAINTENANCE PLAN – The only maintenance plan designed specifically for buyers of Buick vehicles and backed by the resources and commitment of General Motors. Buick Maintenance Plans may be purchased at the time of sale or on vehicles up to 3 model years old and with 60,000 km or less on the odometer.
- BUICK OWNER CENTRE – As an owner, take advantage of the Buick Owner Centre. This online owner's destination gives you access to contests, current offers and the latest driving and maintenance tips. Find out more at buickowner.ca.

³Conditions and limitations apply.

TO HELP YOU PURCHASE OR LEASE YOUR NEW BUICK:

- PURCHASE FINANCING AND LEASING – On-the-spot financing, see dealer for full details.⁴
- GM STUDENT BONUS PROGRAM – Students or recent graduates of high school, college or university⁵ may be entitled to receive a Student Bonus vehicle redemption allowance of \$500 or \$750⁶ (tax inclusive) (purchased vehicle dependent) to use toward the purchase, lease or finance of one eligible new Buick vehicle.
- GM CARD – Cardholders may redeem Earnings toward the total purchase price or lease down payment of an eligible new Chevrolet, Buick, GMC or Cadillac. Restrictions and limitations apply.⁶ For full program details, please visit gmcad.ca.

⁴Subject to eligibility. ⁵Conditions and limitations apply. ⁶Program subject to change.

INFORMATION RESOURCES:

You can find more information about these programs from your GM dealer, or at these information centres:

- The Buick website at buick.ca.
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximate based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of printing, please check with your GM dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers, and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

TRADEMARKS

The marks appearing in this brochure, including, but not limited to: General Motors, GM, Buick, the Buick logo, Envision and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as StabiliTrak and IntelliLink, are trademarks of General Motors and/or General Motors of Canada Company, its subsidiaries, affiliates or licensors.
