VERANO

WHEN WILL YOUR EXPECTATIONS BE SHATTERED?

When you experience the 2016 Buick Verano. It's a sedan that will surprise you with its premium features, refined finishes and fun-to-drive character. Advanced technologies give Verano the substance to match its style, and performance-ready engineering makes Verano as thrilling to drive as it is to look at—whether you choose Verano or Verano Turbo.

WHEN YOU TAKE FUN SERIOUSLY

The standard 180-hp 2.4L engine balances power with 7.4 L/100 km highway¹ fuel efficiency. Or, to boost performance to 250 horsepower, opt for the 2.0L intercooled turbocharged engine. It uses dual-scroll turbo technology to turn compressed air into potent acceleration—clocking 96 km/h in just 6.2 seconds. And when the road curves or city streets become congested, both Verano and Verano Turbo respond with nimble handling, confident braking and agile parking manoeuvres.

¹Fuel-consumption ratings based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary.

WHEN ONE LOOK IS ALL IT TAKES

Just a glimpse of Verano tells you everything you need to know. Bold design cues such as the distinctly sculpted body and available aerodynamic rear spoiler foreshadow the surprising performance you're about to experience. Projector-beam headlamps and a signature black chrome waterfall grille showcase the meticulous attention to detail you can expect throughout the rest of Verano.

WHEN THE ROAD IS CALLING

Use your voice to control the available Buick IntelliLink¹ interactive audio system or have the optional Navigation System² guide you to what you're looking for. Your compatible smartphone connects via Bluetooth^{®3} to Verano's high-resolution, 178 mm diagonal LCD screen. You're doing all of this while keeping your hands on the wheel and eyes squarely on the road.

MUSIC ON DEMAND

With the ease of enhanced voice recognition (or steering-wheel-mounted controls), you have access to available audio apps⁴ on your phone such as Stitcher SmartRadio.[®]

SIRIUSXM

Verano is available with a 3-month trial of SiriusXM Satellite Radio.⁵ You'll hear with digital clarity 120+ channels of commercial-free music from every genre, live play-by-play sports, the biggest news and talk and the hottest entertainment at your fingertips, 24/7.

STAY IN CONTACT

IntelliLink¹ automatically stores your phone contacts for quick access. Simply tell it which of your contacts you want to call, and it dials the number.

USB PORT

Verano comes standard with a USB port³ so your digital home life moves seamlessly with you on the road.

¹Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit intellilink.buick.ca for more details. ²At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ³Not compatible with all devices. ⁴Data plan rates apply. ⁵Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms & Conditions" and complete details at siriusxm.ca.

WHEN IT'S MUSIC TO YOUR EARS

With Bluetooth¹ and USB connectivity,¹ Verano lets you use your smartphone to access your favourite available apps,² such as Stitcher, and play music you've downloaded and stored on your phone. And you can hear it all through an available Bose® nine-speaker sound system. Engineered specifically for the Verano cabin, music sounds full and detailed, speech sounds natural and the system even approaches live performance levels without distortion.

¹Not compatible with all devices. ²Data plan rates apply.

WHEN 4G LTE WI-FI CONNECTS YOU

In the 2016 Verano, OnStar¹ with 4G LTE and a built-in Wi-Fi[®] hotspot turn your Verano into a reliable mobile hub, with great signal quality and bandwidth. This technology provides a fast way for your passengers to tap into available high-speed wireless Internet. They can connect up to seven mobile devices² to browse websites, stream movies, send e-mails and more.

CONNECTIONS

OnStar with 4G LTE Connection¹ With powerful 4G LTE connectivity built right into your vehicle, you have your very own mobile command centre that provides fast service delivery and lets you stay connected on the go.

Available Wi-Fi Hotspot Now your car has its own Wi-Fi hotspot for connecting up to seven tablets, laptops or mobile devices² at great speeds, so the content you crave is always headed where you are. Requires a data plan after the 3-month or 3 GB trial period (whichever comes first).

Remote Services³ A simple call to an OnStar Advisor can send a signal to unlock your doors or honk the horn and flash the lights. It's technology hard at work to get you back on the road.

Hands-Free Calling⁴ Your car has built-in Hands-Free Calling to help keep you safely connected when your cell phone isn't available. Choose from minute bundles or a minutes-per-month plan.

OnStar RemoteLink Mobile App⁵ You can remotely start your vehicle (when properly equipped) from virtually any distance, lock or unlock your doors, send destinations to your car, honk your horn and flash your lights. With RemoteLink, you can control your car from anywhere you can get a signal.

AtYourService⁶ OnStar AtYourService is a new way to discover value in the places you go. You get special offers delivered directly to your RemoteLink mobile app or through a simple press of the blue OnStar button. AtYourService makes where you go and what you do more rewarding.

¹Visit onstar.ca for coverage maps, details and system limitations. Services vary by model, conditions and geographical and technical restrictions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Available Wi-Fi hotspot requires a data plan. Customers will be able to access OnStar services only if they accept the OnStar User Terms, Privacy Statement and Software Terms. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the trial period (if applicable), an active OnStar service plan is required. ²Devices must be WPA2-compliant. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.ca for system details and limitations. ³Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. Unlock feature requires automatic locks. Remote start requires factory-installed and -enabled remote start system. ⁴OnStar Hands-Free Calling requires an existing OnStar service plan and available prepaid minutes. Not available in certain markets. Calls may be made to the U.S. and Canada only. Minutes good for the specified term or until service plan expires, whichever comes first. Visit onstar.ca for coverage maps, details and system limitations (including geographic and technical restrictions). ⁵Available on select Apple,[®] Android,[™] BlackBerry[®] and Windows[®] devices. Requires an active OnStar service plan. Services vary by device, vehicle, conditions and the type of service plan you have. Please visit onstar.ca for vehicle availability, system limitations, geographical and technical restrictions and further details. ⁶Third-party trademarks are the property of their respective third-party owners, used under agreement.

WHEN DIRECTION IS RIGHT

You won't always need a destination to enjoy all Verano has to offer. But when you do, opt for the available touch-screen-activated IntelliLink¹ with navigation². It provides more than 9.6 million km of North American roads mapped out for you to explore. To stay one step ahead of the crowd, optional NavTraffic³ (with 3-month trial of SiriusXM³) incorporates real-time traffic and road conditions right into your NAV screen, directing you around congestion and detours and toward the most efficient route.

¹Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit intellilink.buick.ca for more details. ²At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ³Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. EBONY LEATHER-APPOINTED SEATS

WHEN PROTECTION HAS YOU SURROUNDED

Verano has its priorities in the right place: everywhere. In the centre-mounted information screen, the available Rear Vision Camera helps you see what's behind your Verano, and available Rear Cross Traffic Alert helps make you aware of oncoming traffic when backing up. And on the opposite page, you can read about available safety features such as Forward Collision Alert, Lane Departure Warning and Side Blind Zone Alert. These safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

FORWARD COLLISION ALERT

When you're approaching a vehicle ahead too quickly, Forward Collision Alert lets you know with audio and visual warnings. Consider it a high-tech way of reminding you to slow down and enjoy the ride.

REAR CROSS TRAFFIC ALERT

A camera in the rear captures a view behind the car, while radar sensors detect vehicles approaching from the left or right within 20 metres. The system alerts you audibly and by flashing a warning signal on the Rear Vision Camera screen.

SIDE BLIND ZONE ALERT

Using radar technology to help you avoid a collision, Side Blind Zone Alert¹ warns you when vehicles entering your blind zone are detected by sensors on either side of your Verano. A warning icon appears in your outside rearview mirror.

LANE DEPARTURE WARNING

Lane Departure Warning provides both an audio and visual alert should your Verano drift out of its lane without you first having activated your turn signal.

¹Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rearview mirrors, look over your shoulder for vehicles and hazards and start the turn signal.

A photograph of a modern building with a light-colored, textured wall. A large, dark-framed glass window is visible, reflecting the sky and surrounding environment. To the left of the window, there is a concrete walkway and a small, young tree with green and yellow foliage. The overall scene is captured in a soft, natural light, possibly during the golden hour.
