

2017 ESCAPE

GEAR UP AND GO. Whether loading gear or rafting the rapids, we are all adventure seekers. Hikers. And so much more. The destinations continually change. What really matters is the confidence to go, as well as the life-changing experiences shared along the way. Life is a Sport. This is your Utility. Be Unstoppable. The new 2017 Ford Escape.

Titanium in Ruby Red Metallic Tinted Clearcoat with available equipment.

LIFE ISN'T RESERVED FOR THE WEEKEND.

Adventure isn't only found "out there." Sometimes, it's right around the corner. Waiting to be discovered. Thankfully, the new 2017 Ford Escape is ready to take you. With its spacious, versatile interior and remarkable new features, Escape empowers you to live in the moment. Every day of the week.

Eye-catching new headlights with LED signature lighting¹ help take you from pavement to picturesque with carefree confidence. The sculpted hood, dynamic new grille and athletic stance add adventure-bound appeal. A choice of 2 new EcoBoost[®] engines,¹ plus advanced driver-assist technologies,¹ give you the freedom to pursue your passions.

Inside, the inspiration continues. SYNC[®] 3^{1,2} helps keep you connected to the world around you. A redesigned interior features room for up to 5, along with the cargo space to keep you ready for anything. So take a different route to work. Pull off at that scenic overlook – and take it all in. You never know what road will lead to your next great escape in Canada's #1-selling SUV.³

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature. ²Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in motion. Not all features are compatible with all phones. Message and data rates may apply. SYNC voice recognition and screens available in English, French and Spanish. ³Based on 2007-2015 R.L. Polk vehicle registration data for Canada in the Large Premium Utility, Large Traditional Utility, Large Utility, Medium Premium Utility, Medium Utility, Small Premium Utility, and Small Utility Segments.

MOTIVATED TO MOVE.

ENGINES

2.5L iVCT

168 horsepower. 170 lb.-ft. of torque. The standard S powerplant, like all Escape engines, is paired with a 6-speed automatic transmission with SelectShift® capability.

*Fuel consumption ratings:
11.1L/100 km city and 8.1L/100 km hwy
(25 mpg city/35 hwy),¹ FWD*

NEW 1.5L EcoBoost

179 horsepower. 177 lb.-ft. of torque. This turbocharged, direct-injection engine, standard on SE, has robust low-end torque and virtually no turbo lag. New paddle-shift technology enhances the driving fun on EcoBoost® models.

*Fuel consumption ratings:
10.2L/100 km city and 7.8L/100 km hwy
(28 mpg city/36 hwy),¹ FWD*

NEW 2.0L Twin-Scroll EcoBoost

245 horsepower. 275 lb.-ft. of torque.² Expect quick torque delivery and improved responsiveness from this twin-scroll turbocharged, direct-injection engine³ – standard on Titanium. The twin-scroll design maximizes power when it's needed most – when passing or merging onto a highway.

*Fuel consumption ratings:
10.6L/100 km city and 8.0L/100 km hwy
(27 mpg city/35 hwy),¹ FWD*

AUTO START-STOP TECHNOLOGY, standard on EcoBoost engines, can help reduce fuel consumption and vehicle emissions during stop-and-go city driving. The system can shut off the engine when you come to a complete stop, and seamlessly restart it when you release the brake pedal.

SE in Ingot Silver Metallic with available equipment. ¹Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary for all ratings. ²Horsepower and torque ratings achieved with 93-octane fuel. ³Available feature.

REDESIGNED AROUND YOU. Let the well-crafted interior of the new 2017 Escape elevate what you see, hear and touch. Enjoy fine materials and finishes. Calming noise isolation. Plus ample storage space, thanks to a new electric-assist parking brake that allows for an ergonomically placed gear shifter and a new media bin at the base of the centre console. Recharge phones and tablets with up to 2 smart-charging USB ports.¹ Power laptops and other small items with a covered 110-volt power outlet¹ that conveniently accepts a household-style plug. And whenever you roam, SiriusXM^{®1} lets you listen to your favourites all across Canada. Your 6-month prepaid subscription gets you the best in audio entertainment including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment. Plus listen anywhere online and on the SiriusXM app.²

Titanium leather-trimmed interior in Charcoal Black with available equipment. ¹Available feature. ²SiriusXM subscriptions sold after 6-month prepaid period expires. Subscriptions are governed by SiriusXM Customer Agreement; see siriusxm.ca. Data rates may apply.

STYLED FOR ADVENTURE. Behind the solar-tinted glass of your fun-seeking Escape, you and your passengers will enjoy a spacious, well-appointed interior. A longer armrest on the centre console is designed to help improve driving comfort, while a larger storage bin easily stores today's large phones. A new heated steering wheel¹ helps take the chill out of early-morning adventures. New SE and Titanium Sport Appearance Packages¹ offer partial leather-trimmed sport seats and striking black exterior accents, while Titanium models welcome you with standard 10-way power, heated, leather-trimmed front seats.

¹Available feature.

SYNC 3

In addition to all the voice-activated benefits of SYNC® – placing and answering calls, and controlling music from your devices – you'll love the easy-to-use interface of SYNC 3.^{1,2} An 8" colour LCD screen displays phone, audio and navigation¹ features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen includes a convenient swipe feature, as well as pinch-to-zoom functionality within navigation.¹

SYNC Connect

With a SYNC Connect³ equipped Escape, you can use the FordPass® app to track your vehicle's location and remotely access features such as start, lock and unlock, and vehicle status including fuel level and approximate odometer reading. You can also schedule specific times to remotely start your Escape so it's ready to hit the road as soon as you are.

SYNC AppLink

Use your voice to control select compatible mobile apps, thanks to standard SYNC AppLink.^{TM4}

Siri Seamless Integration

Bring the power of Siri® into Escape with Siri Eyes Free,⁵ your paired iPhone® and a long press of the voice recognition button on the steering wheel.

Automatic Updates Over Wi-Fi

Keep SYNC 3 current with the latest software as new updates become available.⁶ All you need is a Wi-Fi® connection.

¹Available feature. ²Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in motion. Not all features are compatible with all phones. Message and data rates may apply. SYNC voice recognition and screens available in English, French and Spanish. ³SYNC Connect is an optional feature on select 2017 MY vehicles and includes SYNC Connect service, for 5 years from the vehicle sale date as recorded by the dealer, through use of FordPass on select smartphones. FordPass is available to download via the App Store® or Google Play,TM late availability, Spring 2016. Message and data rates may apply. Service may be limited by mobile phone network coverage area. FordPass Terms and Privacy Policy apply. To learn more about where FordPass can take you, visit www.fordpass.ca. ⁴SYNC AppLink is compatible with select smartphone platforms and requires compatible apps to be installed and running on a capable smartphone while connected to SYNC. Commands may vary by phone and AppLink software. Message and data rates may apply. ⁵Requires SYNC 3. ⁶Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. Data rates may apply.

BOOST YOUR CURB APPEAL. Dress to impress with the new Sport Appearance Package,¹ available on SE and Titanium. Outside, gloss black-painted accents complement 19" Ebony Black-painted aluminum wheels and front LED signature lighting for a look that's sure to get noticed. Interior highlights include partial leather-trimmed sport seats along with a leather-wrapped shift knob and steering wheel. Inside and out, its standout style will surely be appreciated.

Titanium in Canyon Ridge Metallic with Sport Appearance Package and available equipment. Partial leather-trimmed interior in Charcoal Black. ¹Available feature.

KICK-START YOUR ADVENTURES. With up to 1,926 litres (68.0 cu. ft.) of cargo space with the rear seat folded, Escape is your perfect partner for spur-of-the-moment adventuring. And accessing that space is easy thanks to its foot-activated hands-free power liftgate.¹ With your arms full and your Intelligent Access key¹ in a pocket or purse, just kick your foot under the bumper and the liftgate automatically opens or closes. You can even program the fully opened height to the position that works best for you.

VENTURE OUT WITH CONFIDENCE.

NEW Adaptive Cruise Control

Helps maintain your choice of speed and preset gaps from the vehicle in front of you. It can also alert you to a potential collision. If one is detected, adaptive cruise control and collision warning with brake support¹ flashes a warning via heads-up display on the windshield, sounds an alarm, and can pre-charge the brake system to provide full responsiveness when you do brake.

NEW Lane-Keeping System

Helps maintain your lane by using a forward-facing camera to detect lane markings, and can apply torque to the steering wheel if it senses your vehicle drifting unintentionally out of its lane. If needed, the system can also send gentle vibration pulses to the wheel to prompt you to steer back toward centre.² If it detects you've come too close to – or crossed – the markers multiple times, a Driver Alert System¹ displays a coffee cup icon to suggest taking a break from driving.

BLIS (Blind Spot Information System)

Alerts you with a light in either sideview mirror³ if its radar sensors detect a vehicle in the corresponding blind spot. Cross-traffic alert, part of the system, notifies you with a beep and a warning light in your sideview mirror if it detects a vehicle approaching either side as you slowly back Escape out of a parking space. Either way, BLIS[®] with cross-traffic alert¹ helps keep you aware of things that may be just out of your line of sight.

DON'T LET PARKING SLOW YOU DOWN.

In an Escape Titanium equipped with the Technology Package,¹ carefree parking is right up your alley. Or street. Or parking garage. Thanks to the ultrasonic sensors and other advanced features of its Enhanced Active Park Assist System,² parking reveals further talents of the new Escape. Whether looking for a perpendicular spot to back into, or parallel parking, the system not only helps you find a suitable one, it steers the vehicle into place while you control the gear shifter, brake and accelerator pedals. The system also provides steering assistance when pulling out of a parallel parking space. So go ahead. Find your spot. You'll be parked and on your way in no time at all.

Titanium in Lightning Blue Metallic with available equipment. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature.

PURSUE YOUR PASSIONS. When you want to escape, getting to your destination is half the fun. When equipped with the 245-hp¹ 2.0L EcoBoost® engine² and Class II Trailer Tow Prep Package,^{2,3} Escape SE and Titanium models provide the power and capability to tow up to 3,500 lbs. (1,588 kg)⁴ of ATVs, dirt bikes or snowmobiles. And with trailer sway control^{2,5} monitoring vehicle motions to detect trailer sway, do it with confidence, too. To help you maintain control of both your Escape and the trailer, the system can reduce engine speed and selectively apply the brakes if needed. Just one more way Escape helps you handle what the day may bring.

SE in Ingot Silver Metallic with available equipment. ¹Horsepower and torque ratings achieved with 93-octane fuel. ²Available feature. ³Requires 2.0L EcoBoost engine. ⁴When properly equipped. ⁵Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

ESCAPE WITH AUTHORITY.

With sure-footed standard FWD or the enhanced grip of Intelligent 4WD,¹ Escape instills confidence in various road and weather conditions. With Intelligent 4WD, the system assesses those conditions about 20 times faster than the blink of an eye, readjusting as needed to deliver the right balance of handling and traction. Whether challenges include snow-packed roads, loose gravel, or even a sudden downpour, this on-demand 4WD system can help you keep your adventures on track.

Maintain your peace of mind with standard features like 7 airbags, and AdvanceTrac[®] with RSC[®] (Roll Stability Control™).² Enhancing vehicle stability in a range of conditions, the system selectively applies individual brakes and modifies engine power to help keep all 4 wheels firmly planted.

¹Available feature. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

STANDARD FEATURES

Mechanical

6-speed automatic transmission with SelectShift® capability
Active Grille Shutters
Brakes – Power disc with Anti-Lock Brake System (ABS)
Electric-assist parking brake
Front and rear stabilizer bars
Front-wheel drive (FWD)
Mini spare wheel and tire
Steering – Electric power-assisted
Suspension – 4-wheel independent
Torque Vectoring Control

Driver-Assist Technology

Autolight

Seating

Front bucket seats
60/40 split-fold rear bench seat with recline

Interior

Cargo tie-down hooks (4)
Centre console – Front-row with 2 cupholders, 2 media bins and armrest
Display – Message centre with trip computer
Flooring – Front and rear carpeted floor mats
Grab handles – Front (2) and rear (2)
Illuminated Entry System
Lighting – Front and rear dome with front map and rear cargo area with theatre-dimming
Locks – Power door
Overhead console with sunglasses holder
Particulate air filter
Power outlets – 12-volt powerpoints (4)
Steering column – Manual-tilt/-telescoping
Steering wheel-mounted cruise and audio controls

Exterior

Easy Fuel® capless fuel filler
LED tail lights
Rear-window defroster
Windows – Privacy glass (rear doors, rear quarter windows and liftgate window)
Windshield wiper de-icer
Wipers – Front: variable-intermittent with washer; rear: 2-speed with washer

Safety & Security

Airbags – Personal Safety System™ for driver and front passenger includes dual-stage front airbags,¹ safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver's seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
Airbag – Driver's knee¹
Airbags – Front-seat side¹
Airbags – Safety Canopy® System with side-curtain airbags¹ and rollover sensor
3-point safety belt restraint system for all 5 seating positions
Adjustable head restraints at all 5 seating positions
AdvanceTrac® with RSC® (Roll Stability Control™) and Curve Control
Battery saver
Belt-Minder™ front safety belt reminder
Child-safety rear door locks
Front height-adjustable shoulder safety belts
LATCH – Lower Anchors and Tether Anchors for Children (rear outboard seating positions)
MyKey®
Rear view camera
SecuriLock® Passive Anti-Theft Engine Immobilizer System
SOS Post-Crash Alert System™
Tire Pressure Monitoring System (excludes spare)

¹Always wear your safety belt and secure children in the rear seat. ²Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary for all ratings. ³Horsepower and torque ratings achieved with 93-octane fuel.

Ford Protect plans. Help protect your investment and add to your peace of mind by complementing your vehicle purchase or lease with a Ford Protect plan. Ford Protect offers you protection against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your Ford Protect plan with a prepaid maintenance plan, which covers all required scheduled maintenance for your vehicle, plus eight wear items. Ask your dealer for a Ford Protect plan, the only service contract backed exclusively by Ford and honoured at all Ford Lincoln dealerships.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at fordcredit.ca.

Ford Original Accessories that are properly installed by the authorized Dealer that sold the accessory will be warranted for whichever provides you the greatest benefit: 24 months/unlimited distance, or the remainder of your 3-year/60,000-km New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Ford of Canada Dealer for details and/or a copy of all limited warranties.

For prompt, courteous answers to your questions:

Ford Customer Relationship Centre 1-800-565-3673;

Ford Credit Customer Service Centre 1-877-636-7346.
