

2018 LEGACY

Legacy. It's not just a sedan. It's a Subaru.

Trust feels a lot like freedom.

Introducing the 2018 Subaru Legacy

It's simple. When you trust something, you worry less. With the 2018 Legacy, this trust comes in the form of safety, reliability and confidence to take on just about anything you throw at it. In fact, 96% of Subaru Legacy vehicles sold in the last 10 years are still on the road today.¹ And this is one of the many reasons why Subaru is the 2017 Most Trusted Brand according to Kelley Blue Book's KBB.com.² Built to be counted on, the Legacy can make your daily drive feel a whole lot freer.

It's not just a sedan. It's a Subaru.

1 | 2018 Legacy

Efficient

AWD + 34 highway MPG³ The new Legacy gets great fuel economy and is as capable as ever, with standard **Subaru Symmetrical AWD**. Its **Lineartronic[®] CVT** also ensures you'll get optimal MPG out of its **SUBARU BOXER[®] engine**.

Engaging

With **Subaru Symmetrical AWD**, your ride feels confident, controlled and downright engaging. **Active Torque Vectoring** delivers sharper handling. **Precision-tuned steering and suspension** make for an especially responsive ride. For more power, opt for the Legacy 3.6R with its **256-hp 6-cylinder SUBARU BOXER[®] engine**.

Roomy

The 2018 Legacy is comfortable and spacious for all aboard. No other sedan in its class has more interior volume.⁴ To keep everyone entertained, it includes the updated **SUBARU STARLINK[™] Multimedia** systems with standard **Apple CarPlay[™]** and **Android[™] Auto** integration, where your favorite content can be safely and easily accessed through the available **8-inch touchscreen**.

Safe

Available **EyeSight[®] Driver Assist Technology⁵** warns you of trouble and can intervene to help you avoid it, while **Rear Cross-Traffic Alert⁶** uses radar sensors to warn you of oncoming traffic when backing up. There's also **Blind-Spot Detection⁶** to help alert you to approaching vehicles and **SUBARU STARLINK[™] Safety and Security** to help keep you and your Subaru safe 24/7, 365 days a year.⁷

¹ Based on IHS Markit U.S. vehicles in operation vs. total registrations MY2007–2016 as of January 2017. ² 2017 Kelley Blue Book Brand Image Awards are based on the Brand Watch[™] study from Kelley Blue Book Strategic Insights. Award calculated among non-luxury shoppers. For more information, visit www.kbb.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. ³ EPA estimated fuel economy for 2018 Legacy 2.5i at 34 highway MPG. Actual mileage may vary. ⁴ Based on manufacturer-reported interior volumes according to the EPA's Midsize Car class as of June 2017. ⁵ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. ⁶ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ⁷ Activation and required subscription sold separately. Includes 1-year Safety Plus trial subscription. See your retailer for details.

**Make the familiar routes
feel unrecognizable.**

Legacy 3.6R Limited in Crimson Red Pearl with optional equipment.

Legacy 3.6R Limited

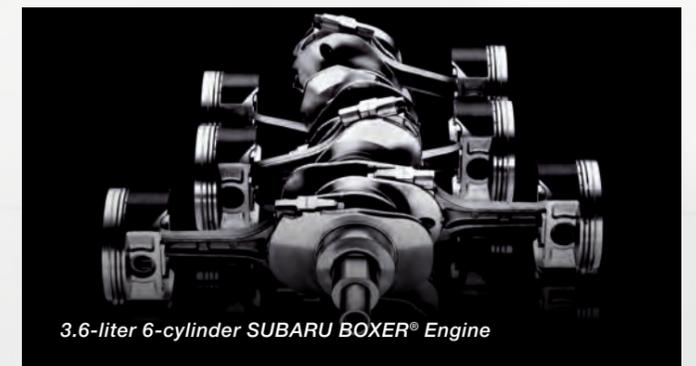

For more power, elevated style and total freedom on the road, look no further than the 2018 Legacy 3.6R Limited. Starting with its namesake, the 3.6-liter 6-cylinder BOXER® engine, you'll instantly notice the difference that 256 hp makes. From standard LED Steering Responsive Headlights (SRH) that can help you see around corners at night, to the smooth responsiveness of the Lineartronic® transmission, every element of the 3.6R has been considered—and maximized.

SUBARU STARLINK™ Multimedia

Refined Interior

From rich materials to advanced technology, the inviting interior of the 2018 Legacy keeps you and your passengers comfortable, well connected and in control. Keyless Access with Push-button Start is available to make getting in and starting up a rummage-free process. Finding your favorite content is easier than ever, thanks to the updated SUBARU STARLINK™ Multimedia systems with standard Apple CarPlay™ and Android™ Auto integration. And with enhanced cabin noise reduction, you'll notice the clear, crisp sound of the available Harman Kardon® 576-watt-equivalent 12-speaker premium audio system. Up front, the available driver's seat memory offers a welcome convenience for multiple drivers, and things stay cozy for everyone with available rear A/C vents and heated rear seats. It's not the everyday drive you're used to.

© 2018 Legacy

Room for the unexpected.

No other sedan in its class has more interior volume.¹

When you spend a considerable amount of time in your car, interior comfort and roominess are non-negotiable. To heighten your driving experience, we reduced interior noise within the 2018 Legacy, adding laminated front side glass. Take a look around, and you'll notice 104.6 cubic feet² of pure spaciousness. In the Legacy, you can't always predict what the drive will bring, but you can always expect to drive in comfort.

¹ Based on manufacturer-reported interior volumes according to the EPA's Midsize Car class as of June 2017.
² Without available moonroof.

An extra set of eyes **every time you drive.**

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight®¹ warns you, applies the brakes and, at lower speeds, can even help you stop your Subaru.

Adaptive Cruise Control

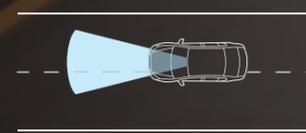

Traffic doesn't always flow smoothly, so EyeSight® doesn't only keep a set speed. The system looks ahead and helps automatically adjust to keep your distance, even in stop-and-go highway traffic.

Pre-Collision Throttle Management

If you put the car in Drive instead of Reverse and EyeSight® sees an object in your path, it cuts power to help you avoid accelerating into it.

Lane Departure and Sway Warning with Lane Keep Assist

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and chimes to warn you before you leave your lane, and it can even help steer you back into your proper course, thanks to Lane Keep Assist.

© 2018 Subaru

¹ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations.

Safe and sound
is what we do best.

Enhanced Safety Features

We found ways to make the 2018 Legacy even better at protecting what's inside. It offers standard features like a Rear-Vision Camera and eight airbags¹, plus Subaru Symmetrical AWD to give you control and confidence, even in unfavorable weather. And now with available LED Steering Responsive Headlights (SRH) that turn in the direction you're steering, the 2018 Legacy can help you navigate better around corners at night.

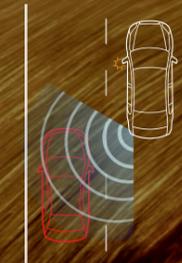

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator in your side mirror and an audible warning.²

Reverse Automatic Braking

Reverse Automatic Braking³ can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Legacy to a stop should an object be detected within its range and the driver fail to act. There's also a Rear-Vision Camera to help you keep an eye out.

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection warns you with a visual indicator in your side mirror if it senses a vehicle in your blind spot. Another feature of this system, **Lane Change Assist**, alerts you with a flashing indicator in each side mirror if it senses a vehicle approaching in a neighboring lane while you signal for a lane change.²

SUBARU STARLINK™ Safety and Security

Providing extra peace of mind, SUBARU STARLINK™ Safety and Security gives you instant access to help when you need it most. With Automatic Collision Notification to send first responders when an airbag deploys, Stolen Vehicle Recovery to help police locate your vehicle if it's stolen and more, SUBARU STARLINK™ Safety and Security helps keep you and your Subaru safe.⁴

1 Always wear seatbelts. Children should be properly restrained in the rear seat. 2 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 3 This system is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. 4 Activation and required subscription sold separately. Includes 1-year Safety Plus trial subscription. See your retailer for details.

The Subaru Legacy was named **Best Resale Value** in its class for 2017 by Kelley Blue Book's KBB.com¹

Subaru is Kelley Blue Book's **2017 Most Trusted Brand, Best Overall Brand, and Lowest 5-Year Cost to Own**.²

96% of Subaru Legacy vehicles sold in the last 10 years are still on the road today.³

IHS Markit

2018 Legacy | Trim Levels

2.5i

- 175-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive with Active Torque Vectoring
- SUBARU STARLINK™ 6.5-inch Multimedia with Apple CarPlay™, Android™ Auto, Pandora® and Aha™ smartphone app integration⁷, high-resolution LCD touchscreen display, 4 speakers, AM/FM stereo, USB port/iPod® control, Bluetooth® audio streaming and hands-free phone connectivity
- Cloth upholstery
- 6-way manually adjustable driver's seat and 4-way manually adjustable front-passenger's seat
- Manually adjustable CFC-free air conditioning system with air filtration
- Lineartronic® CVT (Continuously Variable Transmission) with 6-speed manual-mode paddle shifters
- 17-inch steel wheels with covers
- Welcome lighting
- Driver's auto-up/down power window
- Auto-on/off wiper-linked headlights
- Rear-Vision Camera

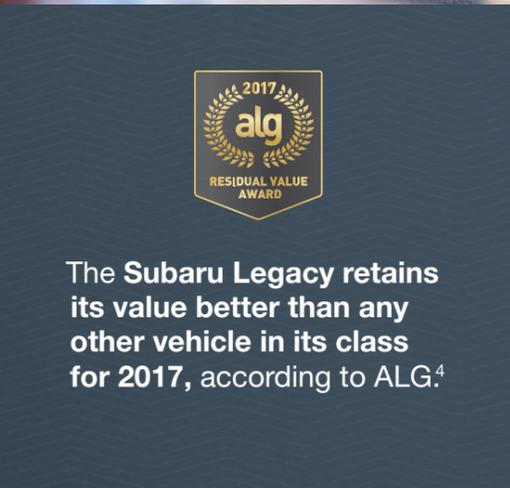

2.5i Premium

- Includes 2.5i key features and adds:**
- SUBARU STARLINK™ 8.0-inch Multimedia Plus with Apple CarPlay™, Android™ Auto, Pandora® and Aha™ smartphone app integration⁷, STARLINK™ cloud-based applications, SiriusXM® All Access Radio® and Travel Link®⁸, 6 speakers, AM/FM/CD player, HD Radio®, Bluetooth® audio streaming and hands-free phone and text messaging connectivity
 - Dual front and rear seat USB ports
 - 17-inch aluminum-alloy wheels
 - 10-way power adjustable driver's seat
 - All-Weather Package: Heated exterior mirrors, 3-mode heated front seats, windshield wiper de-icer
 - Dual-zone automatic climate control system
 - Leather-wrapped steering wheel and shifter handle
 - Front-passenger's auto-up/down power window
 - Electroluminescent gauges with LCD color display
 - STARLINK™ Safety Plus enabled⁹

2.5i Sport

- Includes 2.5i Premium key features and adds:**
- Keyless Access with Push-button Start
 - Power moonroof
 - Auto-dimming rearview compass mirror with HomeLink®
 - 18-inch aluminum-alloy wheels in black with machine finish
 - LED fog lights
 - Sport grille
 - Sport trunk spoiler
 - Satin silver folding side mirrors with integrated turn signals
 - Two-Tone Gray Cloth upholstery with contrast blue stitching
 - Rocker spoiler with chrome trim
 - Silver metallic with carbon fiber-patterned and gloss black interior accents

The Subaru Legacy retains its value better than any other vehicle in its class for 2017, according to ALG.⁴

The best-selling all-wheel drive midsize sedan for the past 10 years.⁵

IHS Markit

2.5i Limited

- Includes 2.5i Premium key features and adds:**
- Leather-trimmed upholstery with distinctive stitching
 - 10-way power adjustable driver's seat with 2-position memory and 4-way power adjustable front-passenger's seat
 - Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert¹⁰
 - Harman Kardon® premium audio system with 576-watt-equivalent GreenEdge® amplifier and 12 speakers, including center dash speaker and subwoofer
 - Power moonroof

- All-Weather Package: Heated exterior mirrors, 3-mode heated front seats and dual-mode heated rear seats, windshield wiper de-icer
- Auto-dimming rearview compass mirror with HomeLink®
- Keyless Access with Push-button Start
- 18-inch aluminum-alloy wheels in gray with machine finish
- LED fog lights
- Woodgrain-patterned matte finish accent trim
- Side mirrors with integrated turn signals

3.6R Limited

- Includes 2.5i Limited key features and adds:**
- 256-hp 3.6-liter 6-cylinder SUBARU BOXER® engine
 - LED Steering Responsive Headlights (SRH)
 - Lineartronic® HCVT (High-Torque Continuously Variable Transmission) with 6-speed manual-mode paddle shifters
 - Dual bright-finish exhaust outlets

"The Legacy is **comfortable, quiet, offers good fuel economy and reliability** all in a package with **plenty of interior space** and with excellent **safety scores**."⁶

CA Emissions		LEV III/SULEV 30	LEV III/ULEV 125
Traction and Stability			
All-Wheel Drive type	Subaru Symmetrical All-Wheel Drive	●	●
Vehicle Dynamics Control (VDC)	VDC electronic stability control utilizes sensors that constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.	●	●
Active Torque Vectoring	Active Torque Vectoring works in tandem with VDC applying braking power to the inside front wheel, resulting in better handling, sharper turn-in, more neutral steering and higher cornering limits when turning.	●	●
Traction Control System (TCS)	VDC also incorporates an all-wheel, all-speed traction control system, which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.	●	●
Fuel			
Fuel Economy	city/highway/combined¹	25/34/29 mpg	20/28/23 mpg
Fuel Requirement	Unleaded gasoline (87 octane)	●	●
Fuel Capacity	18.5 gallons	●	●

● Standard ○ Optional — Not equipped □ Available retailer-installed accessory

Cargo Net. Neatly holds cargo upright and helps prevent it from sliding while the vehicle is in motion.

Cargo Tray. Helps protect trunk area from stains and dirt while providing a surface that helps reduce shifting of cargo while driving.

Trunk Cargo Hook. Conveniently helps to hold shopping bags upright. The hook folds out of the way when not in use. Each kit includes one hook.

Body Side Molding. Attractive color-matched moldings coordinate with the styling of the vehicle while helping to protect doors from unsightly dings.

Moonroof Air Deflector. Helps to reduce wind noise and sun glare.

Door Edge Guards. Help protect your door edges from dings and dents with custom-fit, body-color-matched, stainless steel Door Edge Guards. They are easy to install and preserve the appearance of your Subaru while seamlessly blending into the door design.

Auto-Dimming Exterior Mirror with Approach Light. When the doors are opened or unlocked with the key fob, LED lights on the sideview mirrors will cast light on all four doors and the ground near the vehicle. Also, when the Auto-Dimming (Interior) Mirror detects excessive light from the rear of the vehicle, the sideview mirrors automatically dim.

Auto-Dimming Mirror with HomeLink®. This upgraded auto-dimming mirror detects glare and darkens automatically to protect your vision while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

Splash Guards. Help protect the vehicle's paint finish from stones and road grime.

This accessory reduces vehicle ground clearance.

Remote Engine Starter. Allows vehicle to be started by pushing a button from the convenience of home or office (up to 400 feet away depending on obstructions) so that the vehicle interior is more comfortable upon entry.

Cargo Organizer. Conveniently transport your outdoor gear or up to four grocery bags neatly in the back. Quickly collapses for easy storage when not in use.

All-Weather Floor Mats. Custom-fitted, heavy-gauge protective mats. Helps protect vehicle's carpet from sand, dirt and moisture.

Not intended for use on top of carpeted floor mats.

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®...ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

Subaru Badge of Ownership

Subaru owners are fueled by their passions, whether trackside or roadside. A coat of mud or muddy paws on the seat. Detouring down a dirt road or downhill skiing. Accelerating round a corner or paddling round the river bend. For many, our exclusive Badge of Ownership lets them personalize their vehicle and express their interests. Owners can go to badgeofownership.com to order **FREE** Subaru Badge of Ownership lifestyle icons.

Durability

Responsible. Reliable. Ready to join the family.

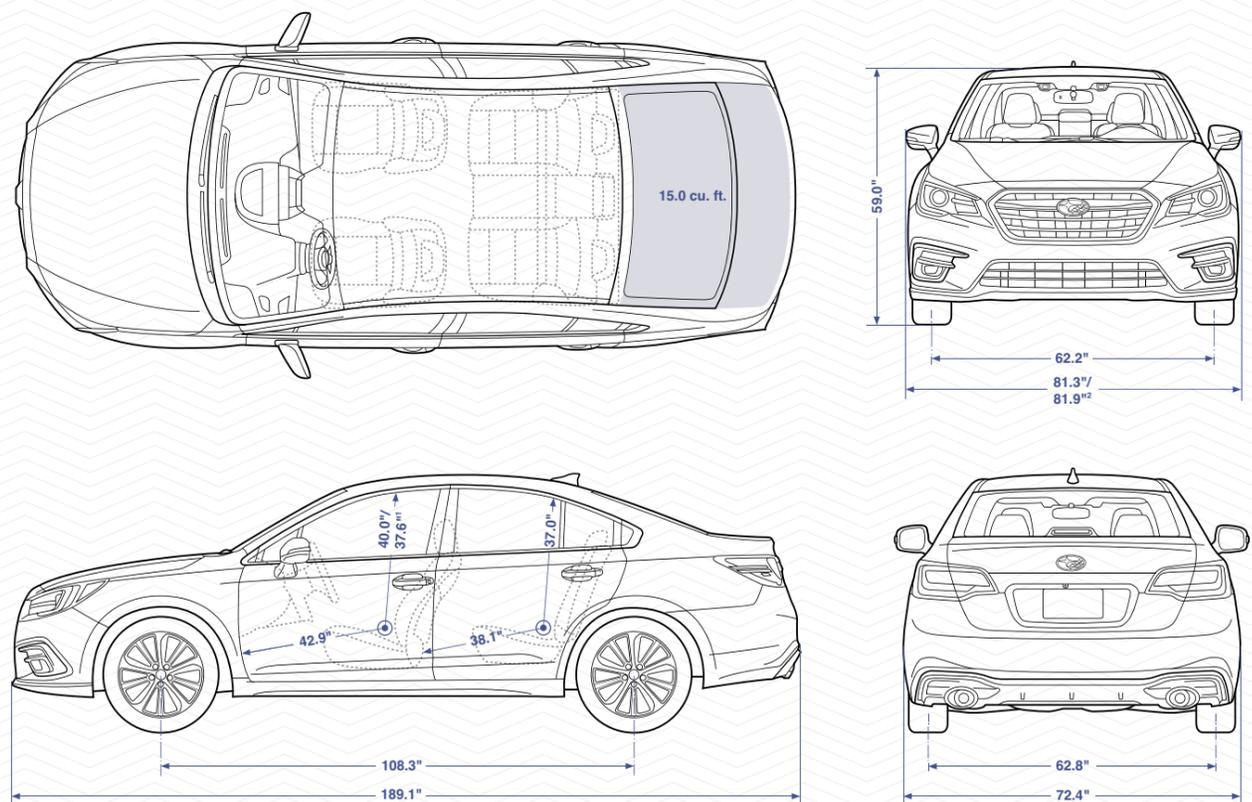

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it's why 98% of Subaru vehicles sold in the last 10 years are still on the road today.¹⁴ We also share your desire for a cleaner, greener world. In 2004, Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is headquartered in a zero-landfill office in Cherry Hill, N.J.

Warranties

New Car Limited Warranty	3 years or 36,000 miles, whichever comes first.
Powertrain Limited Warranty	5 years or 60,000 miles, whichever comes first.
Wear Item Limited Warranty	3 years or 36,000 miles, whichever comes first. Repairs to the following items will also be covered under Wear Item Limited Warranty: <ul style="list-style-type: none"> • Brake Pads • Wiper Blades • Clutch Linings • Transmitter Batteries
Rust Perforation Limited Warranty	5 years, unlimited mileage.
24-hour Roadside Assistance	3 years or 36,000 miles, whichever comes first.

1 2018 EPA fuel economy estimates. Actual mileage may vary. 2 Available only with other features. See Optional Equipment listing. 3 The glass information listed represents calculated reference values, and may not represent actual values determined by testing. 4 Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply. 5 Activation and subscription is required. See your retailer for details. 6 Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your retailer. 7 Activation and monthly subscription sold separately. Includes 3-year trial subscription. See your retailer. 8 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Departure and Sway Warning with Lane Keep Assist operates only when the lane markings are visible and its effectiveness depends on many factors. See Owner's Manual for complete details on system operation and limitations. 9 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 10 This system is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. 11 Activation and required subscription sold separately. Includes 1-year trial subscription. See your retailer for details. 12 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See Owner's Manual for recommended seating position. 13 LED Steering Responsive Headlights (SRH) standard on 3.6R Limited. 14 Based on IHS Markit U.S. vehicles in operation vs. total registrations MY2007-2016 as of January 2017.

SUBARU OF AMERICA

50th
ANNIVERSARY
Est. 1968

These brochures were printed with vegetable-based inks and produced using a "Green Printing Process". The Forest Stewardship Council® (FSC®) is an international organization that brings people together to find solutions which promote responsible stewardship of the world's forests and environments.

By producing these brochures in a green way rather than by traditional methods, we saved 59 trees preserved for the future; 27,570 gallons of wastewater flow saved; 1,846 lbs solid waste not generated; 5,083 lbs net greenhouse gases prevented; 26,000,000 BTUs energy not consumed. Calculations provided by Environmental Paper Network. FSC® is not responsible for any calculations on saving resources by choosing this paper.

This brochure is printed in the U.S.A. on 10% recycled paper. ♻️ ©2017 Subaru of America, Inc. 18LEG.SRB.525 (S-20331, 135K, 6/17, CG)

Love. It's what makes a Subaru, a Subaru.
